Page 12, Q86. Are these services that would be better provided by the Chapter because of fiscal or effectiveness issues?

| | | |
|---|---|-----------------------|
| 1 | The chapter provides CDs for training but networking events are best provided by the sections. Video conferencing/video events state wide. | Sep 6, 2011 8:23 PM |
| 2 | Legislative updates and tracking. The lobbying process is very unclear. Most members are not aware of it at all, and no one seems to be involved. Greater involvement, even if from an awareness, is important to getting and appreciating the value out of this service. | Aug 19, 2011 12:22 PM |
| 3 | Effectiveness, but some issues are more regional in nature and not necessarily | Aug 18, 2011 8:33 PM |

Page 12, Q87. Are there services your section is providing that would be better provided by the Chapter because of fiscal or effectiveness issues?

Page 12, Q88. Any additional comments?

- | | | |
|---|---|-----------------------|
| 1 | We use the chapter to provide fiscal services which is very effective for us and not expensive. The state lobbying efforts are best provided by the state. Each section should be large of enough demographically to provide effective member services. | Sep 6, 2011 8:23 PM |
| 2 | We should consider improving the user and member tracking interface. The event registrations, payments, and database lists of members and others are not coordinated or managed well. It seems a coordinated system at the Chapter level could improve the user experience and allow for more effective use and management. | Aug 19, 2011 12:22 PM |
| 3 | Comprehensive survey! | Aug 18, 2011 8:33 PM |
| 4 | Would like the State to summarize for all members at the beginning or end of each year what programs/activities they will be providing or have provided for members. | Aug 17, 2011 6:39 PM |
