## Woodie Tescher

Woodie Tescher, PlaceWork's Principal for Planning and Urban Design, is recognized for his leadership in developing and applying planning and design policies and implementation actions that have enhanced the quality, character, livability, and vitality of communities throughout California. His work is numerous and diverse, as represented by general plans for Pasadena, San Bernardino, Moorpark, Inglewood, Temple City, La Habra, Newport Beach, West Hollywood, and San Clemente; transit-oriented community plans for the Exposition Rail Jefferson-La Cienega Station Area, Laguna Niguel Gateway, and Santa Monica's Bergamot Station; specific plans for Santa Monica's Third Street Promenade, San Gabriel's Valley Boulevard Neighborhoods, Merced County's University Community, and Beverly Hills Industrial District.

Among the professional organizations recognizing Mr. Tescher for his professional achievements are the American Planning Association and Association of Environmental Professionals. He is a member of the Adjunct Faculty for the University of Southern California Sol Price School of Public Policy and member of the California Planning Roundtable.
